

Dear Parishioners

We are in the process of updating the parish records of Our Lady of the Sacred Heart. Although we have addresses of most of our parishioners, we are missing many phone numbers and e-mail addresses. It would be easier and more cost effective to contact most of you through e-mail if possible.

Kindly complete the information below, or e-mail your information to secretary@olshtappan.com. If the parish already has your information we will cross check to make sure we have your most current information.

Thanks for your help.
